**PLEASE READ THIS FIRST:**

**NOTE: this information below is taken from the Free version of Growthink's Ultimate Business Plan Template. Much of the information from the paid version, including the integrated financial graphs and charts have been removed from this version.**

The real version of Growthink's Ultimate Business Plan Template is much more than a fill-in-the-blanks template.

That template professionally guides you step-by-step so you can quickly, easily and expertly complete your dog grooming company business plan.

Among many other features, it includes professional covers and layouts.

Perhaps most importantly, it includes complete financial projections. You simply enter some numbers (for example the # of products/services you expect to sell and the price), and Growthink's Ultimate Business Plan Template automatically builds your 5-year Income Statement, Balance Sheet and Cash Flow Statement. This service alone would cost thousands of dollars if you hired an accountant to complete it for you.
